### **About Fogo de Chão**

Fogo de Chão (fogo-dee-shown) is an internationally-renowned steakhouse that allows guests to discover what’s next at every turn. Founded in Southern Brazil in 1979, Fogo elevates the centuries-old cooking technique of churrasco – the art of roasting high-quality cuts of meat over an open flame – into a cultural dining experience of discovery. In addition to its Market Table and Feijoada Bar – which includes seasonal salads and soup, fresh vegetables, imported charcuterie and more – guests are served simply-seasoned meats that are butchered, fire-roasted and carved tableside by gaucho chefs. Guests can also indulge in dry-aged or premium Wagyu cuts, seafood a la carte, all-day happy hour featuring signature cocktails, and an award-winning South American wine list, as well as smaller, sharable plates in Bar Fogo. Fogo offers differentiated menus for all dayparts including lunch, dinner, weekend brunch and group dining, plus full-service catering and contactless takeout and delivery options.

Fogo has 56 locations across the globe, including 44 in the United States, six in Brazil, four in Mexico and two in the Middle East. Four additional U.S. locations, plus franchised restaurants in Mexico, are currently under development, including a flagship experience in Coral Gables, Fla., that will feature a Next Level cigar lounge and the Butchery.
